## QUESTIONS:

1. What does it mean practically to be citizens of the Kingdom of God while we are residents of a nation?
2. How does the idea of being an exile—a citizen of a different kingdom—resonate? How does it feel unfamiliar, or actually make sense of how you feel, in this world?
3. Where have you become too “at home” in this world?
4. What is the living hope into which we are born? Why is the resurrection so significant with regard to our hope in Jesus?
5. How have you seen your faith tested and Christ glorified through trials in your life?
6. Describe a time when you have gone to Scripture for comfort in the middle of a trial and found peace in God?
