QUESTIONS:

1. Have someone in the group summarize the main point/sub points that were preached from Sunday's text. Were there any big things that the Lord revealed to you as you listened and reflected?
2. How have you historically responded to texts like these household codes? Is your gut response anger, or frustration, or excitement, or fear, or something else entirely?
3. Have you ever been subjected to these texts being abused or twisted? If you have, and are comfortable doing so, share that experience with the group.
4. If you are single (both guys and gals) how does the command of *wives, be subject to your own husband* inform what you are looking for as you date?
5. If you are a wife, how has it been difficult at times to SUBMIT to your husband? How has it been a joy, at times?
6. If you are a husband, how has it been difficult at times to SERVE your wife? How has it been a joy?
7. What are some practical ways wives can be encouraged to SUBMIT, and husbands can be encouraged to SERVE?
