## QUESTIONS:

1. How have you heard this passage taught or preached before this sermon? Do you think it has been handled correctly?
2. Read 17:26. What do you think David wants to communicate by using these two adjectives (one of the Philistine, the other of God)?
3. Why is David confident in God's ability to deliver him from Goliath (17:34-37)?
4. Goliath ridicules the God of Israel, but it is God who defeats him using only a slingshot and a stone. What principle does this story emphasize? Look at 2 Corinthians 12:9-10 to help with your answer.
5. Is there a situation in your life where God's honor is at stake? What are you willing to risk to defend it?

## PRAYER:

Pray for one another. Pray that each would have courage in any situation where God's honor might be at stake. Pray for God to strengthen each one to rely on God to fight our battles.
