2. Have you ever had an experience where believing a lie led you to some form of isolation?

4. How have you experienced being in a war between truth and lies?
5. Have you ever had a situation where someone or something has poured extra fuel on the fire of some lie you were believing? Explain your experience.
6. Can you think of times when not submitting to the governing authorities and practicing civil disobedience is the right thing to do? Can you think of times when it's not?
7. How have you seen the devil's strategy of getting you to believe lies work out in your life?
8. Have you ever sinned, only to see it have negative effects on others that you didn't see coming?
