## QUESTIONS:

1. Are there any decisions you are considering right now in your life that you feel like you are needing to seek discernment from God on? Share those with your group.
2. Can you think of a time when you thought you knew God's will for you, only to later realize you were mistaken?
3. How do you practically LOOK TO GOD in prayer and scripture when the Bible doesn't always specifically address the topic you are considering?
4. What do you think an adequate amount of prayer is when making big decisions?
5. Describe a time when you have sought out wise counsel in a decision. Who would you say you are submitted under as spiritual authorities right now?
6. Has God ever shown you a sign to help you in discerning his will for something in your life? How did that feel?

## PRAYER:

Pray for discernment over one another. Pray over specific needs for wisdom in decisions in your group.
