QUESTIONS:

1. Talk about your general attitude towards waiting. Do you think you are good at waiting, or is this something of an achilles heel for you?
2. Pastor Chris said that our world has bred into us a lack of patience...that has resulted in a lack of resilience! Do you agree or disagree? Explain your answer.
3. Describe a time when you had to trust God's timing and process by patiently waiting. What was that experience like?
4. Can you think of a time when you got a good thing at the wrong time? How did that affect you?
5. Talk about the idea of passive waiting vs. active waiting. What do you think it looks like to actively wait on the Lord (remember the waiter at a restaurant illustration)?
6. What are you waiting on God for right now? Do you feel like you've placed yourself under his authority (wing) or are you under your own?

PRAYER:

Pray for a spirit of patience for one another. Pray over specific needs for waiting on God from your group.
