## QUESTIONS:

1. How "real" do you think the medium/necromancer stuff is in this text? Do you think these kinds of things are still "real" today?
2. What are some ways you, or others you know, have "hedged their bets" rather than going all-in with trusting Jesus?
3. List out some differences between using God and serving God.
4. Read 2 Corinthians 7:8-15. What is the difference between worldly sorrow and godly sorrow? How can we avoid the one and cultivate the other?
5. Does genuine repentance equal sinless perfection? What's the difference?
6. Step back and consider the rise and fall of Saul in the book of 1 Samuel. What is the narrator trying to teach us about God? What is he teaching us about us?
