QUESTIONS:

1. Have someone in the group summarize the main point/sub points that were preached from Sunday's text. Were there any big things that the Lord revealed to you as you listened and reflected?
2. **SUBMIT TO THE WORD** Pastor Chris talked about seeds. There are these seemingly innocent, small, inconsequential things that precede sin in our lives. How do you think you are being called by God to submit to him in wisdom with seeds in your life?
3. **RESPOND IN WORSHIP** Pastor Chris said, "It's far easier to AVOID temptation than it is to RESIST temptation." How have you experienced this in your life, whether a sexual temptation or something else?
4. **LIVE IN COMMUNITY** Who in your life has the access and the authority to warn you when you are stepping out of line? What is your first reaction when they issue a warning? How can you be more vigilant to listen to them?
5. **JOIN ON MISSION** What do you think the effects of the sexual sins of public figures in the church, and the church's historical foibles when it comes to covering up sexual abuse, etc. has done to the witness of Christ in our world? How might we be a part of changing that reputation?
