## QUESTIONS:

1. Have someone in the group summarize the main point/sub points that were preached from Sunday's text. Were there any big things that the Lord revealed to you as you listened and reflected?
2. **SUBMIT TO THE WORD** Are there things in God's Word that disturb you? What are those things? Why do you think they are disturbing? Do you think they are simply blindspots of their times, or do you think God actually allows for them?
3. **RESPOND IN WORSHIP** Pastor Chris talked about seeing God's Word as a mirror that reflects where we might be out of alignment with God's will and ways. What are some areas in your life right now, where you feel like you are being "scanned" by God's Word, and it's revealing some stuff you want to work on with him?
4. **LIVE IN COMMUNITY** The Proverbs are ripe with sayings that commend us towards community as a way to protect against blindspots. How do you currently practice this? Think specifically of Matthew 7 and dealing with your own logs in your eyes, while also caring about the specks in the eyes of others.
5. **JOIN ON MISSION** Violence in the Bible is a BIG stumbling block for many modern readers. How would you go about talking to your ONE MORE or someone like them about their reservations concerning the ethics of the Old Testament?
