QUESTIONS:

1. To the women in the group: what is your initial reaction to Ephesians 5:22-24? How have you seen this passage abused?
2. What are some practical ways that wives can respect their husbands? What are some ways that husbands can serve their wives?
3. As an adult child, what are some best practices for honoring your parents, even if you aren't required to obey them any longer?
4. Parents, what are some practical ways you can train your children in relationship rather than simply controlling behavior with rules?
5. In your jobs, how have you found it easy/difficult to submit to your bosses? Give some examples.
6. As you work unto the Lord, what does that specifically look like in your occupation?

PRAYER:

Pray for these "training relationships" to be good places for us to grow in mutual submission, and for us to grow deeper into our submission to God as a result.
