QUESTIONS:

1. Have someone in the group summarize the main point/sub points that were preached from Sunday's text. Were there any big things that the Lord revealed to you as you listened and reflected?
2. **SUBMIT TO THE WORD** How do you think your prayer life is going? What are ways we might grow as a church in our prayer corporately?
3. **RESPOND IN WORSHIP** When talking about praise, we often think of the assembled church and our corporate time of singing. How do you praise God as a part of Fathom? What are some ways we might grow in our ability to praise God as a church community?
4. **LIVE IN COMMUNITY** How are you doing at welcoming and inviting all people into your life and into your church? What do you think we might do better as a church so that all people feel like Fathom could be a home church for them?
5. **JOIN ON MISSION** Who are some of the people in your life you need to start witnessing to about the good gift of a relationship with Christ and life in the community of God? Perhaps these can be your ONE MORE.
